Community Service Hours Opportunity

June 25, 2010 will be the annual Octorara Relay for Life at the High School Track. Troop 20 teams up with the Pack to help set luminaries around the track. Please plan to attend and gain those service hours needed for rank advancement. Meet at the sand pit on Friday night at 5:00 PM, dressed in your 1st class uniform.

Take Me Out to the Ball Game

Chester County Council Scout Night at a Philadelphia Phillies baseball game is on August 18, 2010. Cost will be \$20 per scout. Ticket orders and money are due by June 28, 2010.

Position Open

The troop is looking for someone who would help out and be the Tour Permit Coordinator. Permits are needed for every trip and one single coordinator would help to facilitate the situation. Please see Carolyn if you are interested!

Thanks a Bunch!

A big thank you goes out to the MacCauley family for allowing us to invade their pool and take our BSA swim test before camp. It will save us a great amount of time during check in, and it was much more fun!

Rodney Summer Camp

Summer camp is coming up fast! Be sure to get your physical forms turned in by June 28th. All three sections (A, B & C) must be completed. Forms can be downloaded from Troop 20's website. Also be sure to check the merit badge list and complete any prerequisites **before camp**. If you are new to Rodney Summer Camping, plan to attend the informational meeting on June 28, 2010. See Mitch if you are unable to attend.
